Le groupe Vitrulan comprend les trois entreprises basées en Allemagne Vitrulan Textile Glass, V4heat et Vitrulan Technical Textiles ainsi que Vitrulan Composites à Mikkeli/Finlande.

Le groupe Vitrulan est synonyme de solutions inédites en termes de fabrication de revêtements en verre tissé, de chauffages de surfaces infrarouges modernes sur la base de toiles en verre tissé ainsi que de textiles techniques et de composites à fibres de verre, fibres synthétiques et carbone.

Vitrulan Textile Glass produit des revêtements muraux extrêmement robustes, résistants, durables et polyvalents. Des revêtements innovants pour des projets muraux à valeur ajoutée complètent la large gamme de produits à l'esthétique classique. Pour tous ces revêtements répondant aux critères de qualité les plus élevés, la priorité est donnée à l'éco-responsabilité et à la durabilité.

modern walls by Vitrulan est une marque de Vitrulan Textile Glass GmbH
